To Whom It May Concern:

I confirm that Certiport, A Pearson VUE Business, is the owner and sole provider of the IC3 Digital Literacy Certification exams.

The IC3 Digital Literacy Certification provides students and job-seekers with the foundation of knowledge and skill they need to succeed in environments that require the use of computers and the Internet. The program is based on and internationally recognized standard for digital literacy that reflect the most relevant skills needed in today's academic and business environments. More information about the IC3 program can be found at <http://www.certiport.com/ic3>

If you need further clarification, please do not hesitate to contact me.

Sincerely,

Nicholas Haber  
Global Leader – IC3
